Hi Jackie,

I filled out the poll. I will be in Chicago for a meeting June 1-2. Therefore, June 7 or 9 would work for me, but I would prefer June 9, if possible.

Thanks,  
Angela

Hi all,

As part of the federal action plan on the use of recycled tire crumb in sports fields, we will be touring [REDACTED] a tire recycling facility in [REDACTED]

Please respond to the Doodle poll so we can lock down the date for the tour: [REDACTED] Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

## Doodle: Tour of tire crumb processing at

[REDACTED]

doodle.com

The purpose of the tour is to see the processing of tires into crumb rubber infill for sports turf, and ask questions around the source and variability of feedstock, processing technologies and variability in end product properties. The proposed time frames are for the tour of the facility, only; attendees should plan to fly into [REDACTED] the night before or take an extremely early flight on the day of the tour.

(Please also keep in mind that you will either have to fly into [REDACTED] the day before or very early on the day of the tour.)

Thank you,  
Ksenija
